ELETEDIZECKIAGE

For the Removal and Permanent Cure of all NERVOUS DISEASES,

And of those t complaints which are caused by an im-pured, weakened or unhealthy condition of the RERVOUS SYSTEM. This beautiful and convenient application of the mysterious powers of GALVANISM and MAGNET ISM, has been pronounced by distinguished physicians, both in europe and the United States, to be the most caluable medicinal discovery of the Age.

Dr. CHRISTIE'S GALVANIC BELT

MAGNETIC FLUID, used with the most perfect and certain success i GENERAL DEBILITY

Strengthening the weakened body, giving tone to the various organs, and invigorating the entire system. Also in Fits, CRAMP, FARALYSIS and FALSY, DYSFEPSIA or INDIGESTION, RHEUMATISM, ACUTE and CHRONIC, GOUT, EPILEPSY, LUMBAGO, DEANNESS, NERVOUS TREMORS, PALFITATION OF THE HEART, APOPLEXY, NEURALGIA, PAINS in the SIDE and CHEST, LIVER COMPLAINT, SPINAL COMPLAINT, and CURVATURE of the SIPNE, HIP COMPLAINT, DISEASES of the KIDNEYS, DEFICIENCY OF NERVOUS and PHYSICAL ENERGY, and all NERVOUS DISEASES, which complaints arise from one simple cause—namely,

A Derangement of the Nervous System. Off- in NERVOUS COMPLAINTS. Drugs and Medicines increase the disease, for they weaken the sital energies of the already prostrated system; while under the strengthening, lite-giving, vitalizing infinites of stallyanism, as applied by this beautiful and wonderful diseasery, the exhausted patient and weakened sufferer is restored to former health, strength, elasticity and vigor.

The great peculiarity and excellence of

Dr. Christie's Galvanic Curatives, One Christie's Galvanic Curatives, consists, in the fact that they arrest and cure disease by auteur dupplication, in place of the usual mode of drugging and physicking the patient, till exhausted Nature sinks hopelessly mader the infliction.

They strengthen the whole system, equalities the circulation of the blood, promute the servicious, and merer de the slightest injury under any circumstances. Since their introduction in the United States, only three years since, more than rears since, more than

60,000 Persons including all ages, classes and conditions, among which were a large number of ladies, who are pecu-liarly subject to Nervous Complaints, have been ENTIRELY AND PERMANENTLY CURED, when all hope of relief had been given up, and every thing else been tried in vain !

when all hope of relief had been given up, and every thing else been tried in vani!

To illustrate the use of the GALVANIC BELT, suppose the case of a person smitched with that bane of civilization. D) SPLPSIA, or any other Chronic or Nervons Disorder. In ordinary cases, atimulants are taken which, by their action on the nerves and muscles of the stomach, afond temporary relief, but which leave the patient in a lower state, and with minuted faculties, after the action thus excited has censed. Now compare this with the effect resulting from the application of the GALVANIC BELT. Take a Dysseptic sufferer, even in the worse symptoms of an attack, and simply tie the Belt around the body, using the Magnetic Fluid as directed. In a short period the insensible perspiration will act on the positive element of the Belt, thereby causing a Galvanic circulation which will pass on to the negative, and thence back again to the positive thus keeping up a continuous testivantic circulation throughout the events. continuous Galvanic circulation throughout the sys-tem.
